Dear Supporter:

During a recent telephone conversation, or through your past support, you expressed an interest in our Annual Business Support Program. This program was established so businesses can show their support for the different programs with out placing an ad in our publication, The Nebraska Trooper.

Some of the programs the Association provides funds for are:

- ☞ The Wishing Well Program at Children’s Hospital in Omaha and Regional West Medical Center in Scottsbluff. Wishes are granted to children who have the misfortune of being in the hospital.
- ☞ Junior Wheelchair Sports Camp in Omaha. An athletic camp at the University of Nebraska-Omaha for those confined to wheelchairs.
- ☞ Nebraska Special Olympics through the Nebraska Law Enforcement Torch Run.
- ☞ The “Teddy Bear Program” which supplies teddy bears to children in hospitals across Nebraska (especially at the Christmas holidays) and for use by State Troopers at the scenes of traumatic situations.
- ☞ Funds are referred annually to the six “troop areas” of the State Troopers Association of Nebraska as discretionary funds to be used in local projects.

On behalf of the Board of Directors and all members of the Association, I would like to express our gratitude for your consideration in joining the Business Support Program in The Nebraska Trooper. Our levels of support are as follows:

You will receive a decal and a certificate of appreciation along with your business name listed in our publication.
